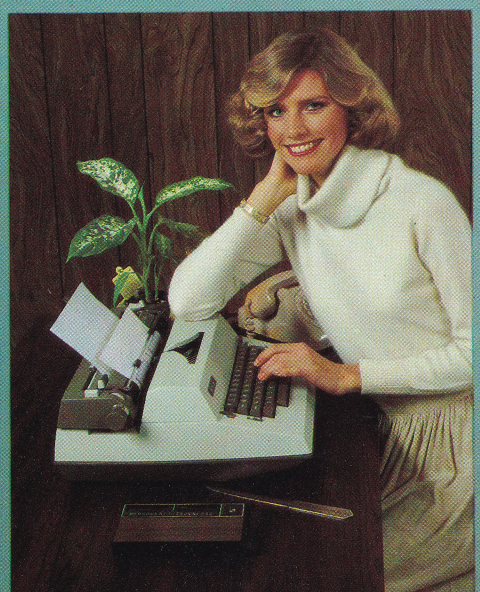
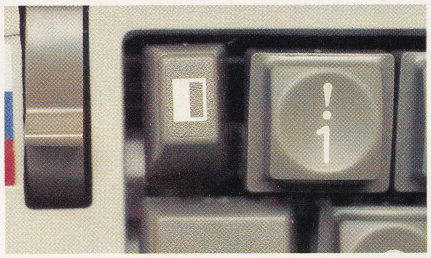
# The Royal 770
# Mid-Size Office Electric Typewriter



While the cost of office productivity is going up, the cost of office typing is going down with the Royal 770. For slightly more than the cost of many manual office typewriters with a 13-inch carriage, Royal offers the multi-featured 770 electric. Rugged, yet lightweight, the Royal 770 may be easily transported to any typing station in the office that requires the aid of a precision typing instrument. No matter how many typewriters you have in your office, the Royal 770 is a welcome and affordable addition.

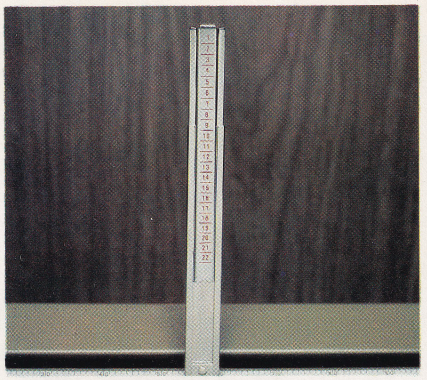
# Royal 770 mid-size office electric with full-size features.



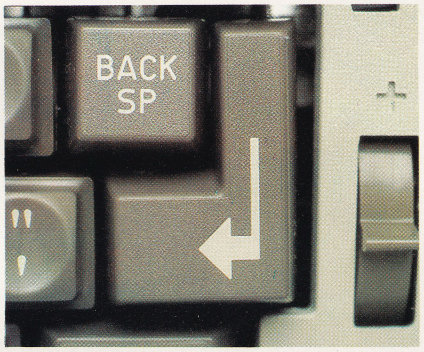
**Horizontal Half Space Key**
Helps correct typing errors.

**These type-easy features increase office productivity:**

- 88-character (44 keys) glare-free, block keyboard
- 13-inch carriage
- Key-set tabulator with single and total tab clearance
- Rapid-set visible margin controls
- Smooth, quiet, electric carriage return
- Automatic ribbon reverse
- Six repeat keys: (X), (.), (-), (=), (_), (*)
- 3-position ribbon selector: red, black, stencil
- Repeat space bar
- Transparent card holder and ruling guide
- Erasure table
- Repeat back spacing
- Selectable touch control
- Adjustable impression control for multiple copies
- 4-position line space selector: 0, 1, 1½, 2 spaces
- Right and left carriage release knobs
- Right and left shift keys; shift lock and release
- Feather light segment shift for perfect type alignment
- Paper bail with bail rollers and scale
- Choice of Pica, Elite, Elite Cubic and Esquire type styles



**Retractable Paper Support & Page-End Indicator**
Flips up for easy viewing of typed work. Shows how many lines remain on the page.



**Repeat Up-Spacer & Paper Inserter**
Carriage key automatically inserts paper into typing position and moves paper up to the desired line.
